

POLICY ADOPTION

Except for policy actions to be taken on emergency measures, the adoption of Board policies should follow this sequence which will take place at least two regular or special meetings of the Board:

1. Announcement and publication of proposed new or revised policies as an item of information.
2. Opportunity offered to concerned groups or individuals to react to policy proposals.
3. Discussion and final action by the Board on policy proposals.

The final vote to adopt or not to adopt should follow by at least two weeks from the meeting at which policy proposals are first placed on the agenda.

1. Prior to enactment, all policy proposals shall be titled and coded as appropriate to subject and in conformance with the codification system used in the Board policy manual.
2. Insofar as possible, each policy statement shall be limited to one subject.
3. Policies and amendments adopted by the Board shall be attached to and made a part of the minutes of the meetings at which they are adopted and shall also be included in the policy manual of the district
4. Policies and amendments to policies shall be effective immediately upon adoption unless a specific effective date is provided in the adopted resolution.

Emergency Procedure

On matters of unusual urgency, the Board may waive the two –week limitation and take immediate action to adopt new or revise existing policies. When such immediate action is necessary, the Superintendent shall inform concerned groups or individuals about the reasons for this necessity.

Law, Philosophy, and Enforcement

The Board will make every effort to ensure that its policies conform to the higher supremacy of state and federal laws, including the provisions of State and US Constitutions. Questions concerning the legality of any policy should be addressed to the office of the Superintendent and the school district counsel. Further, while it is not feasible to reiterate the principles of the Board-adopted Educational Philosophy into the language of each and every policy statement, it is to be assumed that the spirit of this document will prevail in the implementations of all policies. Finally the Board requires all employees and students to comply with its formally-adopted policies. Failure to comply will be considered cause for disciplinary action.
