

LIAISON WITH SCHOOL BOARD ASSOCIATIONS

The Board instructs the secretary to keep the Board fully informed of the affairs of the New Hampshire and National School Board Associations and to keep these organizations informed, as directed from time to time, of the Board's concerns and official positions on matters of common interest and concern.

In addition to establishing an informational liaison between itself and the school boards associations, the Board will be represented in associational affairs through the election of delegates and/or observers to the governing assemblies of these organizations.
