

SCHOOL CLOSING

No school, office, or system event cancellation or delay will be made without the direct authorization of the Superintendent of Schools. In the event the Superintendent is unavailable, such decisions will be made by the Business Administrator or School Board Chairperson.

Announcements: When the Superintendent decides it is necessary to delay opening or close any facility or school or cancel any school event, he/she will initiate all related communications to the public by radio, television, website, or other available means.

Delayed Opening of Schools: The Superintendent may delay the opening of schools upon determining that weather conditions appear extremely hazardous to operate school buses at the regular early morning hours, but that travel conditions will appreciably improve later in the morning. The public announcement will report the delayed opening, including the cancellation of morning kindergarten, if necessary. Schools and offices shall close on the regular schedules.

Closing of Schools Only for the Entire Day: When the Superintendent determines that weather or other conditions exist or will develop that would make it unwise to open one or more schools any time during the day, the announcement communicated to radio and television stations shall state that the school district is closed. If school is closed for the entire day, all evening programs will be cancelled.

Students, parents, and staff shall be informed early in each school year of the procedures which will be used to notify them in case of emergency closings, whether action is taken before or during school hours. When schools are closed for emergency reasons, staff members shall comply with Board policy in reporting for work.
