

EVALUATION REQUIREMENTS FOR CHILDREN WITH SPECIFIC LEARNING DISABILITIES

The District will ensure that all evaluation requirements for children with learning disabilities are consistent with applicable state and federal laws and regulations. The District's evaluations shall include the screening, required by RSA 200:59, of all public school students, including English learners, a cost effective screener for the identification of potential indicators or risk factors of dyslexia and related disorders upon enrollment in public school kindergarten or first grade, and at appropriate times thereafter, to monitor progress. All staff, students, parents and other interested person are directed to the New Hampshire Department of Education Policies and Procedures Manual.
